1 Identification of the substance and manufacturer

Trade name:	EQUIPMENT YE	ELLOW (NEW)		
Product code: Recommended use:	0000201643	tings application		
Uses advised against:	Paint and coatings application. Any that differs from the recommended use.			
Manufacturer/Supplier:	Seymour of Sy	/camore	Seymour of Sycamore	
	917 Crosby Av Sycamore, IL 6	60178 USA	3041 Dougall Avenue, Suite 503 Windsor, ONT N9E 1S3 CANADA	
	phone: 815-89	95-9101	phone: 800-435-4482	
Emergency telephone number:	www.seymour 1-800-255-392		www.seymourpaint.com	
2 Hazard(s) identification				
Classification of the substance or	mixture			
Flammable Aerosols 1		H222 Extremely flammable aerosol.		
Gases under Pressure - Liquefied gas		H280 Contains gas under pressure; may explode if heated.		
Eye Irritation 2A		H319 Causes serious eye irritation.		
Carcinogenicity 2		H351 Suspected of causing cancer. Route of exposure: Inhalation.		
Specific Target Organ Toxicity - Single Exposure 3 H336 May cause drowsiness of		H336 May cause drowsiness or dizzines	S.	
Specific Target Organ Toxicity - Repeated Exposure 2 H373 May cause damage to organs through prolonged or repeated exposure.				
Additional information:				
GHS Hazard pictograms	AN CON			
GHS02 GHS04 GHS07 GHS08				

o	
Signal word	Danger
Hazard statements	Extremely flammable aerosol.
	Contains gas under pressure; may explode if heated.
	Causes serious eye irritation.
	Suspected of causing cancer. Route of exposure: Inhalation.
	May cause drowsiness or dizziness.
Dressutioners, statements	May cause damage to organs through prolonged or repeated exposure.
Precautionary statements	Obtain special instructions before use.
	Keep away from heat/sparks/open flames/hot surfaces No smoking.
	Do not spray on an open flame or other ignition source. Pressurized container: Do not pierce or burn, even after use.
	Do not breathe dust/fume/gas/mist/vapors/spray.
	Wash thoroughly after handling.
	Use only outdoors or in a well-ventilated area.
	Wear protective gloves/protective clothing/eye protection/face protection.
	IF INHALED: Remove person to fresh air and keen comfortable for breathing
	IF INHALED: Remove person to fresh air and keep comfortable for breathing. If in eyes: Rinse cautiously with water for several minutes. Remove contact lenses, if present and
	easy to do. Continue rinsing.
	Call a poison center/doctor if you feel unwell.
	If eye irritation persists: Get medical advice/attention.
	Store in a well-ventilated place.
	Store locked up.
	Protect from sunlight. Do not expose to temperatures exceeding 50°C/122°F.
	Dispose of contents/container in accordance with local/regional/national/international regulations.

Chemical characterization: Mixtures Chemical Description: This product is a mixture of the substances listed below with nonhazardous additions.				
Dangerous components:				
	Acetone	15-25%		
74-98-6	propane	15-25%		
106-97-8	n-butane	5-10%		
7727-43-7	barium sulfate	5-10%		
110-19-0	Isobutyl Acetate	5-10%		
2807-30-9	Glycol Ether EP	≥5-<10%		
123-86-4	butyl acetate	1-5%		
108-65-6	PM acetate	1-5%		
13463-67-7	titanium dioxide	1-5%		
107-87-9	Methyl Propyl Ketone	1-5%		

4 First-aid measures

After inhalation: After skin contact: After eye contact: Supply fresh air; consult doctor in case of complaints. Remove contaminated clothing. Wash exposed area with soap and water. Rinse opened eye for several minutes under running water. If symptoms persist, consult a doctor. (Contd. on page 2)

Trade name: EQUIPMENT YELLOW (NEW)			
	(Contd. of page 1)		
After swallowing:	Rinse out mouth and then drink plenty of water.		
Most important symptoms and	Rinse mouth with water. Do not induce vomiting.		
effects: Indication of any immediate medic	Dizziness		
attention needed:	No further relevant information available.		
5 Fire-fighting measures Extinguishing agents:	CO2, extinguishing powder or water spray. Fight larger fires with water spray.		
Special hazards:	No further relevant information available.		
Protective equipment for firefighters:	A respiratory protective device may be necessary.		
	······································		
6 Accidental release measures			
Personal precautions, protective equipment and emergency			
procedures:	Wear protective equipment. Keep unprotected persons away. Use respiratory protective device against the effects of fumes/dust/aerosol.		
Methods and material for	Use respiratory protective device against the effects of fumes/dust/aerosol.		
containment and cleaning up:	Ensure adequate ventilation.		
7 Heredline and state			
7 Handling and storage Precautions for safe handling	Use only in well ventilated areas.		
Storage requirements:	Keep away from sources of heat and direct sunlight. Do not warehouse in subfreezing conditions.		
	Store locked up.

Trade name: EQUIPMENT YELLOW (NEW) (Contd. of page 3) Information on toxicological effects: No data available. Skin effects: No irritant effect. Eye effects: Irritating effect. Sensitization: No sensitizing effects known. 12 Ecological information Aquatic toxicity: Persistence and degradability: Hazardous for water, do not empty into drains. The product is degradable after prolonged exposure to natural weathering processes. This product does not contain any chlorofluorocarbons (CFC's), hydrochlorofluorocarbons (HCFC's), perfluorocarbons (PFC's), heavy metals (chromium, lead, cadmium), or chlorinated Other information: solvents. **Bioaccumulative potential:** No further relevant information available. No further relevant information available. Mobility in soil: Other adverse effects: No further relevant information available. 13 Disposal considerations Dispose of in accordance with local, state, and federal regulations. Do not puncture, incinerate, or compact. Partially empty cans must be disposed of responsibly. Do not heat or cut empty containers with electric or gas torches. Completely empty cans should be recycled. **Recommendation:** 14 Transport information **UN-Number** UN1950 DOT UN1950 UN1950 Aerosols, flammable DOT ADR 1950 Aerosols Transport hazard class(es): Class 2.1 Gases Marine pollutant: No Warning: Gases Special precautions for user: **EMS Number:** F-D,S-Ŭ Packaging Group: UN "Model Regulation": UN1950, Aerosols, 2.1 **15 Regulatory information** SARA Section 355 (extremely hazardous substances): None of the ingredients in this product are listed. SARA Section 313 (Specific toxic chemical listings): 7727-43-7 barium sulfate **Toxic Substances Control Act** All hazardous ingredients are found on the inventory list of substances. (TSCA): Canadian Domestic Substances List All ingredients are listed or exempted. (DSL): Consumer Product Safety Comission (CPSC): This product complies with 16 CFR 1303 and does not contain more than 90 ppm of lead. California Proposition 65 chemicals known to cause cancer: 13463-67-7 titanium dioxide 108-10-1 methyl isobutyl ketone 100-41-4 ethyl benzene Prop 65 chemicals known to cause birth defects or reproductive harm: 108-10-1 methyl isobutyl ketone EPA: 67-64-1 Acetone 7727-43-7 barium sulfate D, CBD(inh), NL(oral) 110-19-0 Isobutyl Acetate D **16 Other information Regulatory Affairs** Contact:
